Piramal Pharma to acquire G&W Lab's US drug facility

PRESS TRUST OF INDIA
New Delhi, June 20

The company will acquire G&W Laboratories' solid oral dosage drug product manufacturing facility at Sellersville in the US for $17.5 million

PIRAMAL ENTERPRISES'S PHARMA solutions business on Saturday said it had entered into a pact with G&W Laboratories to acquire its solid oral dosage drug product manufacturing facility at Sellersville in the US for $17.5 million (over ₹130 crore). "According to the terms of the agreement, Piramal Enterprises, through one of its affiliates, would acquire...100% stake in the entity that operates the facility and owns the related real estate," Piramal Pharma Solutions (PPS) said in a statement.

This acquisition broadens the offering of Piramal Pharma Solutions by adding solid oral dosage form capabilities in North America. Until now, its capabilities in solid oral dosage forms were all located in the UK and India, it added.

"The Sellersville site can also produce liquids, creams, and ointments, further expanding the PPS portfolio," the statement said.

The site has received certifications from the Food and Drug Administration (FDA) and European Medicines Agency (EMA), it added. "Many of our customers are looking for US-based manufacturing partners to expand and support their pipeline. This acquisition strengthens our ability to partner with them on best-in-class drug products," PPS CEO Peter DeYoung said.

Piramal Pharma Solutions now offers solid oral drug product development and commercial manufacturing in all its major geographies, addressing a previously unmet customer need and strengthening its ability to work globally with customers to reduce the burden of disease on patients, he added.

The company expects to further grow the site's current strength to support development services as well as any Covid-19 management drug opportunities,?the statement said.

Diesel price hits record high, hiked for 14th day

PRESS TRUST OF INDIA
New Delhi, June 20

DIESEL PRICE ON Saturday hit a record high after rates were hiked by 61 paise per litre while petrol price was up 51 paise, taking the cumulative increase in rates in two weeks to ₹8.28 and ₹7.62 respectively. Petrol price in Delhi was hiked to ₹78.88 per litre from ₹78.37, while diesel rates were increased to ₹77.67 a litre from ₹77.06, according to a price notification of state oil marketing companies.

Rates have been increased across the country and vary from state to state depending on the incidence of local sales tax or VAT. The 14th daily increase in rates since oil companies on June 7 restarted revising prices in line with costs after ending an 82-day hiatus in rate revision, has taken diesel prices to new high. Petrol price too is at a two-year high. Prior to the current rally, diesel rate had touched a peak of ₹75.69 per litre in Delhi on October 16, 2018. The highest-ever petrol price was on October 4, 2018, when rates soared to ₹84 a litre in Delhi.

Amrapali: ED to quiz JP Morgan Chinese director, officials

PRESS TRUST OF INDIA
New Delhi, June 20

The ED had recently attached, as part of an order issued under the PMLA, more than ₹187 crore funds of JP Morgan India

THE ENFORCEMENT DIRECTORATE (ED) will begin detailed interrogation of JP Morgan India board members, including a Chinese national to take forward its money laundering probe linked to the alleged diversion of crores of rupees of home buyers who wanted to purchase an abode in Amrapali Group's real estate projects. What has come as a shot in the arm for the agency is a June 18 order of the Supreme Court directing the multi-national firm JP Morgan to transfer over ₹140 crore plus interest from its bank accounts, that has been recently attached by the ED, to the escrow account maintained by the UCO bank.

The apex court said the money would be used for completing the pending projects of the now defunct Amrapali Group. Officials probing money laundering crimes said this is the first time that the apex court has sought transfer of such funds in its accounts after being satisfied with the provisional attachment order issued by the central agency. Usually, funds once attached are kept in the bank accounts where they are and the order for attachment is sent to the Prevention of Money Laundering Act (PMLA) Adjudicating Authority for approval and subsequent confiscation of assets.

The ED had recently attached, as part of an order issued under the PMLA, more than ₹187 crore funds of JP Morgan India kept in a bank branch in Mumbai. The apex court, which is monitoring this case, had in December last year directed the ED to take charge of investigation and asked its Lucknow zone Joint Director Rajeshwar Singh to take action against JP Morgan under the anti-money laundering law and the Foreign Exchange Management Act (FEMA) and apprise it on a regular basis.

An ED team led by Singh attends the court hearings too. The top court had cracked whip on errant builders for breaching the trust of home buyers, ordered cancellation of Amrapali Group's registration under real estate law RERA and ousted it from its prime properties in the national capital region by nixing the land leases in July last year. Official sources said the investigating agency has now sought all financial documents, agreements, memorandum of understanding and others from J P Morgan India and will begin detailed interrogation and recording of statement of its directors like Gunjan Bahl, Hrushikesh Kar and Chanakya Chakravarty and few others. A Chinese national, Todd Wong, who was a Director on the board of J P Morgan India Property Mauritius Company II will also be summoned for questioning and recording of his statement under the PMLA, official sources said. They said a chargesheet or prosecution complaint will be filed in 'due course' after recording of statements. Wong was on board of the company between February 5, 2010 to April 25, 2013 and as per an ED affidavit was inducted as the authorised signatory of its escrow account.
